Remarkable quotation(s) of the key stakeholders

Name of the person and Designation/contact	Verbatim Quotation/Question
Saikot Mollick SUFO, Paikgacha, Khulna Mono-01756613142	Upazila SUFO Mr. Saikot Molla said that the work being done with women in prison in our upazila is very good. In addition to IDO. We will ensure that as many helpless women possible receive support or help. Mean while we will make sure that all officers support one kind of statement.

Detail and Results of this activity

please quantify these results, where possible; refer to the various assumptions of the Log frame and mention the impact in line with log frame indicators.

Social security of all women in prisons will be ensured by holding consultations with government and private service providers. Local leaders, civil society leaders, and leaders of government and private service providers will be sensitized so that they are proactive in providing rights to the deprived. During the project period will arrange advocacy meetings with the personnel of the local leaders, CSO members, government departments and administrations and build linkage with them and each meeting will be arranged with persons and take initiative to get supports from them.

Major challenges/Lessonslearned (MAX 150)

What are the most important lessons learned from this activity?

It is very difficult to hold meeting with goverment officals because of their travel food and snacks is very difficult.but avavle not the budget.some time the gov:officales are very busy but not in time our hand .NGO worker /staff all time ignore the gov: officers.I am very happy if you give me money & food snacks.

Media engagement: Reports published in electronic and print media?
